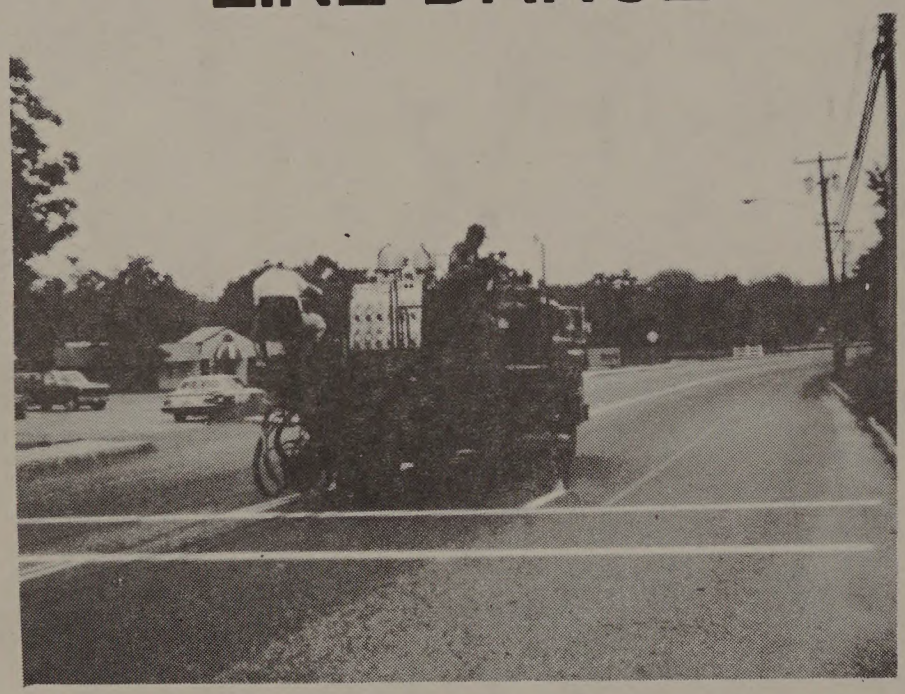
LINE DANCE



AFTER A YEAR-LONG STRUGGLE TO RETURN ROUTE 6 TO THE 4 LANES THAT IT HAS ALWAYS BEEN, THE DEED WAS FINALLY HISTORY AND THE CLIMAX WAS THE APPEARANCE ON TUESDAY OF THE STRIPER. WAITING FOR OVER AN HOUR IN THE BREAKDOWN LANE, SENATOR MacLEAN, REP. SILVEIRA, SELECTMEN OF MARION AND MATTAPOISETT FINALLY WERE REWARDED BY THE APPEARANCE OF THE STRIPER WHICH PROMPTLY BROKE DOWN WITH CLOGGED NOZZLES. REPAIRS WERE MADE (AT RIGHT), AND THE PAINTING BEGAN ANEW TO THE JOY OF ALL ASSEMBLED. DANCING IN THE STREETS WAS ALSO THE ORDER OF THE DAY IN MATTAPOISETT ON FRIDAY AFTER STRAWBERRIES AT SHIPYARD PARK. Page 8.

Selectmen's Meeting

TRAFFIC STUDY SET

Selectmen conferred with SRPEDD's Maria Gooch and Steve Smith to start a study of traffic flow that might be expected from development of a proposed 150 acre HiTech area adjacent to the Industrial Park and running south toward Route 6. The Selectmen speculated that, although the present access is along the road to the Industrial Park from North Street, perhaps an alternate route toward Route 6 might be a better access. Selectman James Huntoon said "if we could dump the traffic on Route 6 it would take the load off North Street". This study was funded by the approval of a $3,000 appropriation at the annual Town Meeting.

Selectmen would like to include an extension of sewer lines to the site up North Street to serve both the Industrial Park and the HiTech area. Mr. Smith said that he would contact Tighe & Bond to see what work had already been done as part of the study before the sewer project was started. He said that much can be done to alleviate residential people's fear of the impact of the area by carefully spelling out all foreseeable possibilities in the by-law to be written.

Economic Development coordinator Maria Gooch told Selectmen that it would be possible to have a proposal in about a month's time.

CABLE TV TRANSFER ACCEPTED

Selectmen voted to accept the signed papers of approval of the sale of the Mattapoisett Cable TV system from Bay Cable to the American Cable system.

BOAT SLOT LIST

Selectman Frank Suzan porposed that holders of boat slots at the Town Wharf be published together with the waiting list for slots. It was approved.

APPROVE FIRE EQUIPMENT

Fire Chief Paul Bradley and Deputy Chief Donald Wood brought in samples of new safety helmets and gloves. Chief Bradley said that present helmets and gloves were bought 8 years ago and were then approved by OSHA Fire Association but have since lost approval by the same authorities because they shatter and melt.

The Selectmen voted to have the Chief order 32 sets of helmets, gloves and boots in the amount of $4,232. The amount is to be taken from the Fire Department's operating budget for the next fiscal year. Selectman Frank Suzan suggested that each piece of equipment be numbered and that the men sign for the equipment assigned.

Chief Bradley said that he has appointed a medical officer for the rescue squad. Mary Jane Doherty, a CPI First Responder, will serve in that capacity as a lieutenant. He said that he has found an excellent choice to be drill master in Donald Linhares who likes the job and does it well.

There was discussion of the line of command at a working fire in case of the absence of the Chief and Deputy. Chief Bradley said that the ranking officer of the duty fire truck will be in charge. He said that the system has been in force for years and has worked. He said that a flexible system is necessary for any volunteer department and he has had no problems with the system.

The Selectmen voted to accept the chief's recommendation for appointment to the rescue squad. Melvin E. Trott III and Sharon A. Nunes will be accepted pending passage of their physical examinations.

The Old Rochester Regional High School classes will be running the food booth with appetizing hot dogs, corn on the cob, hamburgers, cold drinks, and other goodies.

Winding up a full day of activities will be the Marion Band Concert at the Island Wharf Bandstand at 8:00 p.m. under the able direction of John Pandolfi. The Band will offer an interesting selection of marching music, slow numbers, and popular songs.

The whole family is cordially invited. Admission and parking are free. Plan to come and spend the whole day.

July 4th Road Race

It's that time of year again when the road running madness makes its annual stop at Mattapoisett!

The start and finish will be in the exact same location, in front of the Mattapoisett Inn and Shipyard Park. The time of the race is 10:00 a.m. on Monday, July 4th, and should draw a record number of runners. As of today there are 313 entered with about 25% being from Mattapoisett.

The course is a new course designed to be easier to run (fewer turns) and to give a good race development at the end, where the runners now turn onto Beacon Street at Oakland Street to start their sprint for the finish line, so any time set will be a record.

Joe McCarthy will be back to defend his title against all comers and as of this date has to be picked to win. He's really in top shape and believes he can finish in 25 minutes or less, depending on the competition. His closest competition was 4 seconds behind him and is back in the race again - Bob Malm from Mattapoisett is back again. Brian Head is back in the submaster; Betty Prescott in the female open is back as is Donna McDonald in the submaster age group.

With still a week to go race director Bob Simmons is expecting an excellent race and turnout.

Last year's race raised over $600.00 for scholarships and he thinks we can do better than that this year thanks to the turnout and the great cooperation of the merchants of Mattapoisett.

This year's race is hosted by the Mattapoisett Track Club and Converse running shoes.

scholastic athletic program during the 1983-84 school year, will be conducted by Dr. Frederick Moore at the Junior High School August 23rd and 24th from 9 a.m. to 11 a.m. Medical and eligibility forms are available in the office of the Principal at ORR. These forms, as approved by the MIAA, must be completed by parent or guardian before a physical may be given.

Dr. Moore will also conduct an additional examination period on Thursday, September 8th, for those students unable to attend either of the two August dates.

Failure of the student athlete to be examined on the assigned days will mean that he or she will not be permitted to participate until proof of physical examination at parents' expense is submitted to the Athletic Department on the approved medical form. Any student electing to be examined by his family physician may do so but it will be necessary for the physician to complete the approved form.

Paper Weekend

This weekend, July 2nd and 3rd, the paper van will be at the town parking lot off Depot Street, Mattapoisett, to receive all your waste paper goods. Be sure papers are bundled and tied properly. This community service is sponsored by the Mattapoisett Republican Town Committee.

ORR Athletic Exams

Physical examinations for Old Rochester Regional High School student athletes, Grades 9-12, who plan to participate in the inter-later. We also try to give preference to Seniors who seldom go.

Look over the schedule carefully, as there are several special trips requiring advance reservation and any payment is required to be in by the deadline or no reservation has been accepted.

Thank You

Hats off to all those people who devoted their time and effort to a successful Survival Week. Although the ORRJHS Survival students returned with aches, blisters, hunger and exhaustion, they did survive and return with added value of our natural resources (food and water), with a dependence and respect for their friends, with a respect and love for those in authority, lastly with an unforgettable memory.

Those teachers who donated their time and endless service were Tom Grondski, Vaughan, Jeff Rodman, Gary Bobola, Al "Stooch" Silva, Rory McFee, Jon Johnson, John Moore, Bob Gardner.

A special thanks to persons who made a Survival a success - Judy DeMailley and Mike Hilley.

Thanks to parents and friends who helped with the chaperoning. They were Sara McIntire, Carolyn Wingate, Joel Rodman, Jimmy Hubbard, Lisa Derby, Bill Spark, Dr. Judy Clark, Mrs. Beard, Sue McGowan, Ira Hiller.

Thanks to some former Survival students and friends who helped: Chris Riley, Joe LeBlanc, Todd LaFreniere, Lisa Burnett, Marcia Reed, Kim Hilley, Michelle Lambalot, Jane Ferreira, Aimie Surprenant, Sarah McLean, Katrina Saltonstall, Brett Fortin, Scott Chevalier, Karen Gracia, Nancy MacGregor, Sherry Silveira, Erin Osborne, Sean Brice and Joe Froughton.

Thanks to Penny Hiller and Jimmy Field, friends who provided a place to survive.

Lastly, we'd like to thank all the parents who allowed their children the opportunity to survive and who donated to the fund that made this survival a great success. Thanks again,

Letters to the Editor

LETTER TO THE EDITOR

So many people have been having such a good time expressing themselves about the supposed evils of Route 6 as a two-lane road that I shall probably be considered a spoilsport (maybe even a party-pooper) for suggesting that at least 90% of what has been said and written on the subject is plain hot air.

There is, in fact, no good reason why Route 6 cannot be just as safe in its present state as it ever was as a four-lane road. But there are some things that need to be done whether the road has two lanes or reverts to four, and I find it astonishing that in spite of all the noise about Route 6 some of these issues have not been mentioned.

First, and most important, all the speed limits on Route 6 in Mattapoisett are excessive and should be revised downward. The maximum speed anywhere on Route 6 in Mattapoisett should be 40 mph. It is a local road, just as it is in Fairhaven, not a

high speed Interstate. People who want to go 50+ should take Route 195.

There are some glaring examples of improper speed limits.

On the "S" curves starting near the Mattapoisett River, with Neck Road intruding in the middle of one curve, the speed limit is 45 mph. It should be no more than 35 mph as it is for a similar "S" curve in Fairhaven, with an intruding road at the old school, and for the "S" curve in Marion where Aucoot Road intrudes.

Between Main Street and North Street 30 mph would be a more rational speed limit than the present 40 mph. In fact, because of the many cars entering from the side or turning to leave the road, a considerable percentage of the traffic moves at about 30 mph. Incidentally, that section of Route 6 has been essentially two lanes

for years.

From North Street to Marion is a 50 mph zone except for a short stretch near ORRHS. This is far too fast for a road with so many heavily used side entrances, some of which are blind. 50 mph is particularly dangerous at the curve by the Oxford Creamery and in the stretch that passes Pallatroni & Gingras, the Yacht Lot, and a blind cross road at the top of a hill. 40 mph. would be a more rational speed limit.

Some people scoff at the idea that there is a direct relationship between car speed and road safety, but at 35 mph there is more reaction time than at 45 or 50, and more chance to avoid an accident.

Equally important as reducing speed limits is vigorous enforcement of the speed laws. In 12 years of driving in Mattapoisett, I have been impressed by the apparent absence of police activity to restrain speeding and other wild behavior on Route 6. That is, until the middle of June, when I saw more such activity than ever before. Such activity needs to be constant, and a primary use of the police force. Mattapoisett should be known as a place where safe driving is mandatory.

It seems to me that the town has been delinquent by failing to make the effort to make Route 6 as safe as it can be made. The white lines marking the breakdown lanes have been allowed to become faint -- in some places obliterated--although the

center yellow line is well maintained. I believe that there is no excuse for that. And the signage is inadequate, in my opinion.

Finally, I would like to point out that a two-lane Route 6, well policed and with rational speed limits, can offer some positive safety advantages not possible with a four-lane road.

The side lanes should provide a safe area for bicycles and mopeds, which are a real hazard with four lanes. And it should be possible to use the side lanes for their primary purpose---safe stopping in case of breakdown, which is next to impossible with four lanes.

It seems to me that if we had less posturing and speech making and more attention paid to the issues listed above, all users of Route 6 would benefit from a safer road.

John Wolbarst
Boston and Mattapoisett June 22

Editor's Note: The criticism of the Town of Mattapoisett in the above letter as concerns the markings and signage on Route 6 does not relate to fact. Route 6 is a state highway and as such is controlled and marked by the State of Massachusetts. (This fact has been underlined by the one year plus struggle of the town to have the marking changed). In addition, a state highway should be principally state pa-

LETTER TO THE EDITOR

A quote from my favorite author and writer - Archbishop Fulton Sheen - honoring the 4th of July deserves repeating:

"Love America as a duty. Patriotism is a form of piety. And there are three principle forms of piety: love of God, love of Religion, and Love of country. All three are grounded in justice.

"It is an historical fact that a country begins to decline at that moment when its citizens begin to love a foreign power more than its own. This happens the very moment justice and morality cease to be the root of patriotism."

Later in his book "The Seven Pillars of Peace" he tells us "An American is one who believes that his rights and liberties come to him from God, and that they are therefore inalienable, and that no State on the face of God's earth can take them away. On April 30, 1777 George Washington, fearful that some of his men were more loyal to foreign powers than to their own country, posted an order that was obeyed absolutely at night. And now as men forget God and darkness settles over the earth we need to repost that order of Washington. 'PUT NONE BUT AMERICANS ON GUARD TONIGHT'. How true! It is right! Put none but Americans on guard!"

Fly the Flag of the United States of America on July 4th - honoring our country's birthday!

The group was led by an eighth grade student, Michelle Despres, who attends Old Rochester Regional Junior High School. With considerable ease Ms. Despres introduced the other panel members and briefly described her own projects including an informational brochure on suicide that she wrote for school personnel and others. The topics ranged from nuclear energy and black holes in space to the legal aspects of the Lizzie Borden case. Two youngsters in grades five and seven described the challenges they met in learning to compose their own musical pieces. The students also talked about their experiences in a creative writing class, a special art course, and as participants on the elementary school mathematics team. In a situation that many adults would find unnerving these youngsters were totally at ease. They fielded questions from the staff with enthusiasm and poise.

At the beginning it looked as if the Morris team was going to make it two straight wins in a row but in the 5th inning the players of the Mattapoisett 3 team turned things around behind strong defense; they rallied to score 6 runs to take the lead and then the 3's number

Theater Review

"LA CAGE AUX FOLLES" MEANS LIBERTY AND IS TERRIFIC. a Review by George W. Hayden

Boston: As we begin to approach the end of the century just what we needed was a big, snazzy, elegant, tuneful musical to mirror our decadence, at the same time putting a little romance and sparkle back into tired life with all its pretenses. Of course the love is homosexual and this musical is its Broadway emancipation proclamation. Naturally such a musical comes as a statement against the political, economic, moral and educational hypocrisy of our times. It is perhaps the most potent, and even more so, since "CABARET".

Brilliance abounds from composer/lyricist Jerry (Hello Dolly) Herman whose last controversial masterpiece, "MACK AND MABEL" was doomed by our sophomoric journalist-critics who were turned awry by Mabel's drug addiction death finale; unwilling in their omnipotence to classify it among our musical tragedies in the great society. Mr. Herman gives us at least 3

Broadway style song hits including the title song "LA CAGE AUX FOLLES", "LOOK OVER THERE" and "THE BEST OF TIMES".

The adaptation from the frothy Jean Poiret farce is by recent Tony winner Harvey Fierstein. His clear rewriting makes a much stronger statement than the popular film which indeed had cult following. And when an old master Arthur Laurents is director, one of twentieth Century America's underrated but best playwrights, it is impossible to miss the hit category. Traces of his "GYPSY" and "WEST SIDE STORY" style and craftsmanship are everywhere evident, but "LA CAGE" is in a class all by itself.

Brilliant is George Hearn's subdued interpretation of the drag queen Albin/Zazu

who has maintained a herculean personal love for his/her friend Georges of twenty years and his son. Mr. Hearn's affectations are totally subtle, including not toning up his rich baritone with which he stopped the show on first act curtain with a Merman-like "I AM WHAT I AM"; producing goose bumps on those aware of the power of a song's communication.

Brilliant is Gene Barry as the aging stereo-type male lover whose son has decided to marry the Minister of Morals daughter. Mr. Barry previously has been wasted in such nonsense as T.V.'s "Bat Masterson". He moves and sings like the great showmen of the past.

Bouncy support is given from Jay Garner and Merle Louise as Culture Minister Dindon and his wife; John Weiner as the snot of a son; Leslie Stevens as his dancing intended; Elizabeth Parrish as a liberated restaurant hostess; and William Thomas as the black maid/butler Jacob.

Gauche and radiant are David Mitchell's sets and Theoni V. Aldridge's costumes. Choreography by Scott Salmon for the chorus

of female impersonators is electrifying. "LA CAGE" opens many closets. It will be amusing to watch how it's treated by the press and public, and eventually (ten or fifteen years) by the high schools who have become regional theater's foremost re-creators of our musical comedy stage. "LA CAGE" is what we've made and the dollar signs in the five million dollar musical are everywhere apparent. "LA CAGE" received a seven minute standing ovation, the longest I have ever stood through. Congratulations show biz people for being brave.

"LA CAGE AUX FOLLES" has been produced by Allan Carr and will play at the Colonial Theatre through July 16th.
